

The Friends of Mineralogy - Pennsylvania Chapter

Presents a Fall Symposium
for the Mineral Collecting Community

on

Classic Localities

to be held November 6, 7, 8, 1998

Friday November 6: 7:00 - 9:00 PM

Delaware Geological Survey Building

Newark, Delaware

Registration, socializing, "What's New in Minerals & Collecting", etc.

Saturday November 7: 8:00 AM - 5:00 PM

Brandywine Terrace

Claymont, Delaware

Speakers include:

Jay Lininger - Charles M. Wheatley Locations

John S. White - The Foote Mine, North Carolina

Dr. Lance E. Kearns - The Morefield Pegmatite, Virginia

Don Schmerling - Collecting in the Kola Peninsula, Russia

Also planned: FM PA General Membership Meeting, Memorial Grant Fund Benefit Auction*, and a Mineral Identification session

*Please bring any donations of mineral specimens, mining memorabilia, or mineralogy / geology related books with you to help out this worthwhile program. Already slated to be auctioned off are numerous books, a flat of Cornwall, PA minerals, and many other items.

Sunday November 8 Field Trip: Time and location to be announced

For insurance purposes, it has become necessary to limit the field trip to FM Members only. If you are not a member, here is a chance for you to join the organization.
